

Build Your Business: Winner Announced

Since launching the Build Your Business competition we have had hundreds of entries from many aspiring entrepreneurs and startup owners. With countless tweets, posts, and shares over various social media platforms the participation has been astounding.

We are all too happy to announce the winner of the Build Your Business competition is Chris Baudia from Perth who co-founded [GeoMoby](#), a reliable and outdoor geofencing solution for your apps.

His pitch for Geomoby has won him a \$30,000 prize package that comes along with everything they'll need to kick some major goals in 2015.
